

Becket-Chimney Corners YMCA 2027 Enrollment Guide

Welcome!

Whether you're a new or returning family, thank you for considering Becket-Chimney Corners YMCA for summer 2027. Campers and their families are the heart of our camp community, and we are excited to welcome you.

In this guide, you'll find information about our enrollment process, including important dates, tuition rates, payment plans, and financial aid. Please reach out to camp if you can't find the information you're looking for.

Early Bird Enrollment for Returning Families

Returning families can register by **September 15, 2026** and receive two exclusive benefits:

- Lock in 2026 Tuition Rates for Summer 2027—a significant savings for each camper.
- Priority Enrollment before registration opens to new families, giving you the best opportunity to secure your preferred program.

This special offer is available only to returning campers and their siblings and ends on **September 15, 2026**. The discount will be applied to your registration after enrollment.

After September 15, enrollment opens to new families and all registrations will be processed on a first-come, first-served basis using 2027 tuition rates.

Enrollment Process

Returning families have two convenient ways to enroll:

- New and returning families can register for camp through [Ultracamp](#), our camper enrollment system.

Your space is reserved once all four of the following steps have been completed:

- ☐ Complete your registration.
- ☐ Select your Tuition Tier or indicate that you will apply for Financial Aid.
- ☐ Pay your enrollment deposit.
- ☐ Select a payment plan and provide your preferred payment method.

Enrollment Deposits

A deposit is required to reserve your camper's space.

- Standard Deposit: \$750
- Families applying for Financial Aid: \$250

To give families time to review their registration, deposits remain refundable for 10 business days after enrollment. After that time, the deposit becomes non-refundable.

Financial Aid

We believe every child should have the opportunity to experience camp, and we remain committed to making our programs accessible through need-based financial assistance.

Families applying for Financial Aid should:

- Select Tier 5 – Financial Aid during enrollment.
- Complete the Financial Aid Application by September 30, 2026 to be considered during the first round of awards.
- Maintain an active camp enrollment while the application is under review.

The first round of Financial Aid awards will begin in November 2026.

Applications received after September 30 will be reviewed after the first round and will be considered based on the availability of remaining funds.

Payment Options

To provide families with greater flexibility, we have moved our tuition deadlines later in the year while offering several payment options. Choose the option that works best for your family:

Pay in Full

Pay the remaining balance immediately after enrollment.

Monthly Automatic Payments

Pay your deposit today and have the remaining balance automatically charged monthly beginning on the 3rd of the following month. Payments will be scheduled so that your account reaches the required payment deadlines.

Two-Payment Plan

Pay your deposit today, with the remaining balance automatically charged in two installments:

- March 1, 2027
- May 1, 2027

Pay in Full on March 1

Pay your deposit today and have the remaining balance automatically charged shortly after March 1, 2027.

Payment Deadlines

To help families spread tuition over a longer period, payment deadlines have been moved later into the year.

- 50% of tuition is due by March 1, 2027
- Remaining balance is due by May 1, 2027

If unexpected circumstances arise, we encourage you to contact us before a payment deadline. We are happy to work with families whenever possible. Accounts that remain unpaid without prior arrangements may be subject to cancellation so that spaces can be offered to families on our waiting lists.

Refund Policy

- Deposits remain refundable for 10 business days after enrollment.
- After that period, the deposit becomes non-refundable.
- Cancellations made before March 1, 2027 will receive a refund of all tuition paid beyond the non-refundable deposit. After March 1, refunds may be pro-rated or denied based on our ability to fill the empty space. Refunds must be requested in writing.
- 60 days before the start of your program, the tuition becomes non-refundable.
- If a camper leaves camp early for any reason, tuition cannot be refunded.

Questions?

Our Enrollment Team is always happy to help. If you have questions about registration, payment options, Financial Aid, or choosing the program that's right for your camper, please don't hesitate to contact us.
